

## 15. Spridget-Gathering 2020 Rheinhessen and other districts in proximity

"A great wine-country with many discoveries"

The Spridget Register has been around for 15 years now and the MG Car Club is celebrating its 50<sup>th</sup> birthday in 2020. Celebrate celebrations as they come!

**We invite you to join us for the 15th Spridget-Gathering from the 11.06. – 14.06.2020, in Mainz-Finthen, at the Hotel Atrium, in Rheinhessen. The meeting point for all Midget- and Sprite-Teams!**

Germany's biggest wine-growing region. Thousands of beautiful hills and vines, as far as the eye can see – this is Rheinhessen. 26.617 hectares of vineyards in and around the districts of Alzey, Worms, Mainz and Bingen. It is located left of the Rhein, in the county of Rheinland-Pfalz.

Our location Mainz-Finthen also offers a long tradition of agriculture, long before "Finther Asparagus" became world-famous. During your time with us, we recommend you discover the close by regions as well. Nature here is at its finest, as are the impressive vineyards. The "Rotenfels" near Bad Kreuznach, is the highest Cliff north of the alps, and is most spectacular to look at.

Last but not least you should see the "Rheingau", which is not within the county Rheinland Pfalz, but lies in the nearby county of Hessen. We will most likely arrange a little special tour to visit the Rheingau on Sunday.

We look forward to seeing you!
